Scope and conditions

Certification covers this programme as approved, delivered by the trainer named in the approval file. Any material change to the programme, its trainer or its venue must be notified to the Registrar within twenty business days. Delivery is subject to unannounced surveillance.

Learner awards are issued by ADRIQ only after evidence of delivery has been verified. Each award carries a unique number and is independently verifiable on the public register.

Verification

This certification, and the full record of how it was assessed, can be checked free of

charge and without an account at www.adrigcertifications.com/verify using approval number ADRIG-CRS-2026-0173. The register is the authoritative record; this document is a copy of it.

Signed: Adrien Akash, Registrar

For and on behalf of ADRIG Certification

ADRIG certification is independent quality assurance of training. It is not a regulated national qualification and confers no statutory licence to practise.
